

## Our Rentals

Lopez Mateos Sportfishing - Lodging Stay close to the fishing!

Our rentals are meticulously maintained, have all the creature comforts, and have plenty of parking.

Please note that Lopez Mateos is a very small town next to Bahia Magdalena, and supplies are limited. All of our rentals have kitchens and we recommend bringing your own food and drinks, and any medications you need.

Because Lopez Mateos is such a small town they are not able to process credit or debit cards and will NOT take USD cash. The nearest bank is about 50 miles away so make sure you bring pesos for any incidentals or necessities you may need.
